DISTRICT 742 RETIREES 2003-2004

Dear Retirees,

As the end of the school year quickly approaches, it feels good to pause and think about how grateful I am to our cooks, custodians, bus drivers, secretaries, paraprofessionals, teachers, administrators, and all of our support personnel. Whether your assignment touched children on the bus, in a parent meeting, in the lunchroom or a classroom, your dedication has been a gift to the children in District 742. That gift has been multiplied exponentially in our retirees, many of whom have provided a lifetime of service toward helping students become productive members of our world.

Thank you for all of the lessons you shared with our learners as they developed character, increased their respect for one another, built their skills, and became stronger citizens. Thank you for your lessons of peace and tolerance. Thank you for preparing our children to live in a global age with an understanding of the importance of relationships.

I wish all of our retirees good health, lots of fun, and meaningful activities that will challenge and refresh. You will always be welcome in our schools and remembered for making a difference in the lives of many.

Best wishes,

Dr. Jim Lee
Superintendent
