SPECIAL PUBLICATION

JUNE 2007

**DISTRICT 742  
 RETIREES  
 2006-2007**

Dear Retirees,

On behalf of the Board of Education, the community and myself, I would like to extend a heartfelt "Thank You" for the important role you have played in District 742, but more importantly, the role that you have played in the lives of the thousands of young people you touched every day.

You are about to embark on a new phase in your life, one that will, hopefully, be filled with joy, new challenges and rewards. As you enter into this phase, please remember the successes of your career and how much that work has meant to the students and families of District 742. I believe that there is no greater reward than to say you were important in the life of a young person.

Please accept my gratitude and respect for your years of service and for making our District a place that honors education and service to its youth.

Sincerely,

Bruce Watkins  
 Superintendent
