

INDIVIDUAL CONTRIBUTION TO STUDENT SUCCESS REPORT FORM

Name: _____ Site: _____

Lead Teacher: _____ PLC Coordinator: _____

Individual Contribution to Student Success entails teachers individually accounting for steps they have taken to **change/improve their professional practice to contribute to students' success.**

This component requires teachers to intentionally undertake and document personal professional growth through the implementation of something new in their practice.

Student Success Can Depend on...	Documenting Teacher Contribution
<i>Removing barriers to learning, Creating and reinforcing a positive and caring learning environment, Partnering with parents and community to strengthen involvement in our schools, Promoting a welcoming, diverse school community in which each individual feels valued, Promoting student academic, social and emotional success and well being</i>	<i>Pre-test/post-test, Checklists, Projects, Certifications, Performance assessments, IEPs, Work completion, Formative assessments, Student Presentations, AP tests, Attendance Data, Surveys, Behavioral Data etc</i>

Outline how you contributed to student success in your professional practice?
