### Welcome and Introductions

In the absence of Julia Espe, Executive Director of Curriculum, Instruction and Assessment, Shawn Gombos, Assistant Director of Q-Comp and Staff Development along with Susan Currey, Title I Coordinator, welcomed the group to the meeting, and they introduced the members of the committee.

### Math Presentation (Charlie Eisenreich)

Charlie Eisenreich, Principal, Apollo High School, presented information regarding changes the district has made to the Mathematics curriculum. He outlined the work that the 6-12 Math Vertical Team has done and gave a preview of what the PreK-12 VT will do in the future. Test score data was reviewed, decisions that need to be made were also outlined, and Continuous Improvement Cycle work to be accomplished.

### Social Studies Presentation (Eric Williams)

Eric Williams, Principal, South Junior High, presented aspects of the Social Studies curriculum. He outlined the work that the 6-12 Social Studies Vertical Team has done and gave a preview of what the PreK-12 VT will do in the future. Eric outlined Social Studies in the Continuous Improvement Cycle and what work needs to be done.

### Continuous Improvement Cycle

The District 742 Continuous Improvement Cycle was distributed.

### Annual Report

Tabled until November meeting.

### Comments

One of the parents was wondering if we had a district-wide policy for fundraisers such as participation in walk-a-thons, etc, rather than selling food.

Meeting adjourned at 7:25 p.m.

Next meeting: November 20, 6:00 p.m., Conference Room A (DAO)
