Agenda Item: 2007 Math MCA II Scores

Summary of discussion:

- *The 2007 Math MCA II scores were passed out to members*
- *The objective for today was to develop a SMART Goal for the Math Vertical team.*
- *There was a suggestion from the district to work on a goal that states the increase of our percent proficient across the district.*

Agenda Item: SMART Goal Developed by the Math Vertical Team

Summary of discussion:

- *Our goal is to:
Increase the percentage of students district-wide who achieve proficiency in the area of math on the 2009 MCA II by 7% or more from the 2007 MCA II math percent proficient.*

Note: This is a district-wide goal, not per building.
