

PARENT PERMISSION TUTORING FORM

Students in transitional housing are eligible to receive tutoring services provided by a licensed teacher from the St. Cloud School District. Your child has been referred for tutoring by his/her classroom teacher. We would like to begin working with your child and we need your permission to do so.

The primary focus of the instruction is to help students maintain academic skills at their grade level by reinforcing the lessons taught by their classroom teacher. Depending on need, the tutoring may be one-on-one or in a small group that takes place either at the school or at the transitional site.

Please sign and date the form below and have your child return it to his/her teacher as soon as possible. If you have any questions, please call Nancy Gruber @ 253-9333 Ext. 1280. Thank you!
