RE: St. Cloud Area School District 742 Community Education Walking Program

Many of you are familiar with the Walking Program that is offered in many of our buildings. During the months of October through April several buildings are available to the public for walking various days and times.

Pre-registration for this program is required each year, even for District employees. An ID is required for anyone participating in the Walking Program.

A NEW REGISTRATION IS NEEDED EACH YEAR

To register, complete and return the tear sheet below. A sticker to put on your current school badge, route maps for the building(s) you want to walk in and this year's walking information packet will be sent to you. There is NO FEE for District employees to register. All other family members must register at the Community Education Office at McKinley and pay the \$5 fee. They will receive a \$5 coupon good towards a Community Education fitness class or an open gym pass. Available buildings and their walking schedules are included.
