## Contracts and Billing

Parents are required to sign a contract for the Kids' Connection Program. There are two contract options to choose from.

1. **Standard Weekly** - for parents who wish to commit to a regular schedule of 3-5 days per week.
2. **Drop-In Occasional** - occasional drop-in means that arrangements must be made at least two days in advance with the individual Kids' Connection program leader to see if space is available and payment is due on the day of use for this option.

## Agreement Options

**Standard Weekly Agreement** - Parents commit to a regular weekly schedule. Fees are charged based on enrollment, not attendance. No credit is given for absence. To permanently change the contract or withdraw from the program, the Community Education Office must be notified in writing at least 3 days in advance. Telephone calls or notification to site staff is not acceptable notification. A \$10 fee will be charged for each contract change.

Payment due dates are listed in the parent handbook. Bills will be distributed to the sites and placed in your family file. Parents are responsible for picking up their child's bill.

Payments are to be mailed or brought to the Community Education Office. Please do not give payments to site staff. Please indicate your child's name (first and last) and site on your check.

A \$10 late fee will be assessed for payments more than three business days overdue. Consistent late payments may result in termination of your contract. No child's fee will be allowed to fall more than two weeks behind.

**Drop-In Occasional** – for those parents who only need occasional care are considered drop-in clients. Payment is due to the program leader on the day of use. Children must be registered with the Kids' Connection Program in order to be eligible for this option.
