RESOURCE AND SUPPORT

PBIS Coaches will:

- Facilitate, assist, maintain and adapt PBIS school training and implementation efforts.
- Ensure that resources are committed for initial training and on-going implementation support.
- Attend site meetings regularly
- Respond to team requests for support (i.e. problem solving).

FIDELITY OF THE PROCESS

PBIS Coaches will:

- Prompt teams to follow the research-based PBIS model
- Focus teams on self-developed action plans
- Monitor timelines set by site, district and state
- Provide reciprocal communication between site and district level PBIS teams.

DATA REVIEW AND REPORT

PBIS Coaches will:

- Assist with effective and efficient data collection and reporting.
- Tailor data requests and reports to school goals and action plans.
- Disseminate data to sites, district, and state.
- Participate in data review for progress toward interventions and outcomes.
- Assist with training needs of the site related to data collection.
