

S.O.A.R.

Please take some time to review the matrix during planning room.

If discussion continues, feel free to use these discussion questions to trigger conversations. Please use any or all of these questions.

- 1. Ask students what they know about Apollo's matrix and SOAR.**
 - a. What is the matrix?**
 - b. What does SOAR stand for?**
 - c. What does SOAR mean to you?**
- 2. Discuss the 4 expectations of SOAR (Safety, Optimism, Acceptance, Respect)**
- 3. Discuss the 4 areas in the matrix (Classrooms, hallways, commons, extra-curriculars)**
- 4. Why are these things important to our school?**
- 5. When following the matrix, what type of environment are we creating?**

Thanks for SOARING in planning room!
