

Name of the School District

The purpose of this policy is to clarify the name of the school district.

Pursuant to statute, the official name of the school district is Independent School District No. 742. However, the school district is often referred to by other informal names. In order to avoid confusion and to encourage consistency in school district letterheads, signage, publications and other materials, the School Board intends to establish a uniform name for the school district.

Uniform Name

The name of the school district shall be ***St. Cloud Area School District 742***. The name specified may be used to refer to the school district and may be shown on school district letterheads, signage, publications and other materials. In official communications and on school district ballots, the school district shall be referred to as Independent School District No. 742, but inadvertent failure to use the correct name shall not invalidate any legal proceeding or matter or affect the validity of any document.
