Fundraising & Involvement Opportunities

Please consider participating in the following fundraiser in addition to the Varsity Gold Cookie Dough Sales during the month of March.	
___ Earth Day Registration	Tech Track and Field will be earning money by taking care of proxy registration at the Earth Day Half Marathon. This would involve a time commitment on Friday afternoon and Saturday morning, April 20 & 21.
___ Tech Tiger Trot	This August 25 5K Run/Walk raises money for all the runners at Tech including Cross Country. This event needs help with promotion, Brochure distribute, and prize solicitation.
___ Track & Field Boosters organizers	The Booster Club is always looking for parent involvement. In the past the Boosters have provided lunches at track meets, hosted meals at their homes, and helped supply track meet refreshments.
___ Donations	While the Track & Field team would appreciate your involvement, we understand that schedules become very busy. A tax deductible donation is always appreciated.

Please complete and return to
 John Telega or BriAnne Zauhar
