

Requirements of membership in TARGET

BE CHEMICALLY FREE AND STAY THAT WAY!!!

Target Members...

- Do not use mood altering chemicals unless prescribed by their physician
- Support non-use in others through encouragement and activities
- Are positive role models
- Challenge themselves to be leaders
- Listen to others
- Have courage to stand up for their beliefs
- Believe in themselves
- Follow through with commitments and do not give up
- Practice resiliency (the capacity to spring back or adapt in the face of adversity)

By signing on the line below, you are pledging to follow the above characteristics of a TARGET member. You agree to be chemically-free throughout the school year. Chemical use at any time will suspend your membership immediately and may terminate it altogether.

If you agree to this commitment, please sign below.
